

WILL THIS PROJECT FLOOD NEIGHBORHOODS NEARBY?

PROPOSED CANALS
PROPOSED EMBANKMENTS

All proposed elevations shown in feet and in reference to the North American Vertical Datum of 1988 (NAVD88).
 NAVD88 = NGVD29 - 1.23 feet at this location.

Elevations of neighborhoods shown represent the approximate range of house pad elevations derived from SFWMD dataset "NAVD88 Ground Surface Elevations (ft)" available at: <https://apps.sfwmd.gov/WAB/EnvironmentalMonitoring/index.html> and finished floor elevations provided by Okeechobee County.
